## The Beaulieu Commercial Ten Year Limited Wear Warranty For Approved Products

If the surfaces pile of the carpet wears more than an average of 10% from ordinary use within 10 years of original indoor installation (*stair excluded*), we will replace all worn material with equivalent carpeting. This Warranty is not transferable, and it applies only to carpeting (*stairs excluded*) for which wear, if any, is not attributable to improper installation (*seam sealer must be used on all seams*), maintenance, or cleaning agents or methods, tears, burns, pulls, cuts or lack of protection under caster chairs; use in location of which carpeting is not intended or designed and is inappropriate: of any other cause of reason beyond manufacturer's control. Crushing, matting and soiling are not considered characteristics of wear. The extent of wear will be determined by an independent agency.

Incidental and consequential damages are excluded, except in states whose laws do not allow such exclusions or limitations. Accordingly, such limitations or exclusions may not apply to you.

This limited warranty gives you specific rights, and you may also have other rights, which vary from state to state.
